Useful Resources for Stuttering Therapy with Early Childhood and School-Age Clients

Chamonix Olsen, MS, CCC-SLP, BRS-FD · American Institute for Stuttering
www.stutteringtreatment.org

Early Childhood (2–6 years old)

BOOKS

Early Childhood Stuttering: For Clinicians, By Clinicians

Ehud Yairi & Nicoline Grinager Ambrose
textbook

Young Children Who Stutter

J. Scott Yaruss, Nina A. Reardon-Reeves

Small booklet. Extremely informative. We give this to all of our parents of young children who stutter. Available from the [National Stuttering Association \(NSA\)](http://www.nsa-usa.org).

Practical Intervention for Early Childhood Stammering Palin PCI Approach

Elaine Kelman & Alison Nicholas. For children 7 years and younger. I highly recommend this one.

Fun with Fluency: Direct Therapy with the Young Child

Patty Walton, Mary Wallace

Easy Does It® for Fluency: Preschool/Primary Ages 2-6

Barbara A. Roseman, Karin L. Johnson

The Lidcombe Program of Early Stuttering Intervention: A Clinician's Guide

Mark Onslow, Ann Packman, Elisabeth Harrison

I recommend attending the training workshop to successfully implement this treatment.

Stuttering: An Integrated Approach to Its Nature and Treatment, 3rd edition

A textbook by Barry Guitar

DVDS

Available from [The Stuttering Foundation](#).

Stuttering and Your Child, Help for Parents for parents
Working with Preschoolers Who Stutter for clinicians

ONLINE RESOURCES

The Stuttering Center of Western Pennsylvania

This site has a wealth of resources free for public use. Co-Director J. Scott Yaruss uses a Family-Focused Treatment Approach with young kids who stutter.
